Ten Fingers & Ten Toes..... Gift of Life! Celebrating Ten Years!

Babies sometimes need miracles to survive. The annual Gift of Life Gala supporting Fairview Hospital makes those miracles happened every year!

The Gift of Life Gala presented by Community West Foundation marked a milestone when it was held last month at Avon Oaks Country Club.

For the 10th year in a row, community leaders and friends gathered to celebrate the NICU team who take God's tiniest miracles and give them a chance at life with a festive evening of dinner, dancing, raffle and silent auction. Proceeds go to the Neonatal Intensive Care Unit (NICU) and Department of Gynecology of Fairview Hospital for life-saving equipment and services

This year's co-chairs, Debbie Norton and Katie Reidy, welcomed the generous outpouring of supporters – many with family, children and grandchildren who have been directly impacted by the miracle work

of the NICU professionals.

Janice Murphy, President Fairview and Lakewood Hospitals devoted the invocation to the life-saving works of the team. Jules S. Moodley, MD, Chair, Fairview Hospital Obstetrics and Gynecology, and Robert Wyllie, MD, Calabrese Chair of Pediatrics and Physician-in-Chief, Cleveland Clinic Children's Hospital, joined the accolades for both staff and benefactors.

"These are truly people who make a team that takes God's tiniest miracles and give them a chance at life," said Murphy.

There is no more trying moment in the life of a family then when a baby is ill. At such a time, parents want immediate access to all possible medical expertise and technological assistance. That is why so many parents put their trust in Fairview Hospital, where there is a Level III Neonatal Intensive Care Unit (NICU). The Level III designation by the Ohio Department of Health certifies that the NICU offers the highest degree of quality care for at-risk newborns. With entertainment by Fastrack and auction/raffle winners hosted by radio personalities Brian & Joe, it was a great night for participants, caregivers and families alike!
